Mr. Knight submitted the following resolution, which was served but

into, and that said committee have have to report by bill or otherwise.

SELES INTRODUCED.

Ar. Ranb introduced a bill 'a relation to stone lime; referred to the Committee on Folice.

Mr. Shedd introduced a bill supplementary to an act entitled "an act providing for the removal of offsi, slope, etc.;" referred to the Committee on Folice.

Mr. N. D. Laruer introduced a bill authorizing

He also introduced a bill authorsting a gutter to be laid on the west filled of Seventh street west, scross 7 street north. Passed. Mr. N. D. Larent, from the Committee o' 1 Yap-pturements, to whom was referred the bill for the improvement of N street morth, from Fifth by Reyorth, streets west, reported the Whout amend-

Improvement of N street morth, from Fifth to Seventh streets west, reported it without amendment. Fased.

He also, from the same committee, to whom was reterred the petition of Joseph M. Fadgett and others, proging that a side factuality may be laid in front of againers for, so I and 300, reported a hill for that object. Fased.

He also, from the same committee, reported a bill nation, from the same committee, reported a bill online gas appropriation to pay for regains in crivide allegs in the Fourth ward. Fased:

Mr. H. Larner, from the Committee on Irelange and the Distribution of Water, to whom was northern and the Distribution of Water, to whom was not received in the promise of the training the Larner, from the Committee on Irelange and the Distribution of water on merant premises to that ward, reported a bill authorizing the haying of a water man on R street north, from Third to Fifth street west.

Mr. C. Wilson moved to strike out "Fifth street" and insert Sixth adeed."

Mr. Shepherd moved to insert, "and co mask further as in may deem necessary to give a sufficient flow of water.

The above bill gave rise to a produced discussion, during which Messar M. Larner, St. Wilson, Morpherd, haub, and Arbie D. Larner explained their views on the question of the purer of the outportain to authorize the laylon of water man in streets where citizens had not petitiented for El. Stille and April 1, 100, was read three times and passed.

west from I street to the centre of Massachusetts and F. M. Larner morred to amend the bill by tersering "and to connect the main along Luxest on Elements and Treetfah."

The amendment was agreed to, and the bill passed.

The bill making appropriations to clean and whitewash the Western market-bouse was read those filmer and passed.

Mr. Raub introduced: a resolution to provide entrable continuous for the reporters of the circumstance. All, the board.

Mr. Shaphened moved to a mond the resolution, by substituting the following:

Resolved, That the Committee to Audit and Control the Contingent Expenses of the Board be, and they are hereby, authorized to purphase auch chairs, setbees, and table, for the use of the Board has in their judgment as ybe required; the expense thereof to be judget out of the contingent found of this Board.

resolution.

Mr. M. Larner called for the yeas, which were takes, and resulted, yeas 14, nays 6, as follows:
Yeas—Masers. Barr. Canifold, Donchus, Ellis, Purguson, Kelley, McCathren, Noyse, Sands, Shedd, Repherd, Stephana, Wilson, and the President. Mays—Meusers Folianelee, Knight, Noble D. Larner, Stichnel Larner, Peake, Kult—a. So the resolution was slopted:

Shaphard.rame are that are the Piner of the Boards upon a Builter of visal interest to the Boards upon a Builter of visal interest to the Boards upon a Builter of visal interest to the city of Washington. He wissed to have the legistation of the only less, transmitted. No. improvements, which be made to provide for the sewinger, and size with youndited very little plant standard. The stry was called "the city of dust and mind," and its desired to remove those objections. A figure of Retards was also decled. The Workhouse and Almahouse paujors were discharged immediated by the city was a called the city of the company of the city o Motoro Parket and American property and Almebouse paquers were discharged immediately because there were no accommodations for them. He hoped that the Council would give this othical the attention it deserved.

The bill was laid over informally, and ordered to be wrinted.

The bill was laid over informally, and ordered to be printed.

Extractor or the utry LAWA.

By the pieced introduced a joint resolution providing for the revision and codification, and new digest of the law. It is as follows:

Warres, The present digest of the laws of this corporation has been use, by reason of the recent quincrous conditions, and on the recent and faulty, and whereas it is essentially accessary instead) laws should be put in and form, and or arranged as to be seasily understood therefore, be

Resolved, dr., That the Mayor, one member of the Board of Ajdermen, and the nomber of the Board of Common Cunnell, be appointed, committee to seeke and coulty the laws of this Corporation, and pretiars a poper digest of the same, and said constables are hereby cappowered to procure such sits of the same o

us they may require in the proper performance of this work.

Mr. Mospherd observed that all the members were aware that since the dignest was compiled, many aware that since the dignest was compiled, many aware taxes that been passed and chang tid laws an ended, and one could hardly tell at the present time what was actually the inw. In fact the present digness was worthese. The laws were now scattered, over haif a dozen volumes. To his amovinedge the Chief of Police has demplained of the difficulty of fooling life laws.

Mr. M. D. Lammer agreed with Mr. S., that the present digness was worthless. In fact, a great many laws were entirely omitted. He suggested that the Metropolitan Police hourt be estimated in relation to the unitary. He hope, however, that a new dignes would be got quit at an early law size of the control of the control. Mr. Shapherd moved to refer the joint resolution to a spenial committee, to consist of three mea-ers, to be appointed by the Fresident; and Str. hispiners, Mr. C. Wilson, and Mr. Follausbee were

resident to fill the vacancy is the select commitse in charge of the improvement of the ensait

910 Broadway, New York; and Soo Pean. avenus,
between Twelfish and Thirteenth sta-ed

between Twelfth and Thirteenth sta-16

\*\*MABILIMOTON, 11. C1,
Calls the attention of the public to the following advantages of his improved system:

Its. The tenth of his improved system:

Its. The tenth of his manufasture will never corride nor change outer by any acids, and are three-burths infer than any other.

2d. No teeth mor roots need be extracted, as the stilled along can be inserted over them.

2d. The roots will be made inoffensive and never to ache.

artinetas ones can be inserved over training.

Alt. The roots will be made inofference and never
to ache.

Alt. No temporary teeth are needed, as permanent
ones can be made inmucliately, thereby preserving
the old system, is drequently designed.

Att. This work has been fully tested, for over the
years, by many of the first chemiats and physicians
of this and the old country.

Dr. S. has size invested a white indestructible
metal filling, with which the most scenarior testing
the ante filled without pain, and can build up a perfect cound tooth on any side roots, which will last
through a lifetime.

Call and examine for pureselves.

Love 18—40.

Call and examine for yourselves.

DR. LOCK WOOD CONTINUES THE
Building, corner Pennsylvania avenue and Sevent
irect. Having practiced in the South nearly aptreet years, he feels essured that he sen give salisfaction to sky that may call.
